CHAIRMAN'S MESSAGE

DEAR MEMBERS

This annual report marks 42 years that the Medical Center has been providing medical services to the Ocean Reef Community.

The Medical Center has kept pace with current medical technology and a rising patient census that reflected over 20,000 patient visits in 2016. With that growth has come better care, faster service and connections with the greater Miami medical community. The Ocean Reef Club may be the only private community offering such varied and comprehensive health care.

Our Mission is "To provide caring and professional medical services and health education to the Ocean Reef Community." Towards that end, the Medical Centers' recently expanded and redesigned building offers patients the best and most complete health care possible within the gates at Ocean Reef. Recently added services include; MRI, an enhanced Private Medicine program, a new Private Medicine plus option, full-time ultrasound services, state of the art eye equipment, Coolsculpting® and increased visiting specialists in the areas of cardiology, orthopedics, ophthalmology, mental health services and nutrition. We also offer numerous educational opportunities and encourage you to take advantage of our popular "Night's Out" and "Medical Lecture Series".

To accomplish our mission we need the support of the Ocean Reef Community. The yearly fund raising events, such as the All Charities, Boutique D'Reef and the annual "Fun-Raiser" contribute greatly and of particular importance is our Founders Program which provides a yearly base for the Ocean Reef Medical Center's Endowment. Unfortunately, insurance reimbursements in today's healthcare are woefully inadequate and only cover about a third of operating costs.

We sincerely thank all of our Founders for their generosity and appeal to everyone in the Ocean Reef Community to generously support the Medical Center in any way you can.

Wishing you good health,

Dan Harding

WHAT OUR PATIENTS ARE SAYING...

Thank you to the fabulous team at the Medical Center that took such great care of me during my recent visit with a scorpion bite! I am grateful that you kept me calm, removed the stinger from my finger and assisted Bryson in getting that darling creature out of my backpack!

Many thanks for your bravery and superb care! You rock!!!

Sandy Yannatell and Bryson Kershner

Sue, Thank you for taking such great care of me today!

I just didn't know what to do about changing my bandage, - but you were the Angel sent from above!

Thank you for taking care of me in my time of need!

Tim

WHAT OUR PATIENTS ARE SAYING...

Dr. Carlos!! I feel Wonderful !! If it hadn't been for you I would not be here today!

Thanks,

Don Hindman

To the wonderful people of the Medical Center,

Ed hasn't held anything in his hands since the accident. I put on his glasses and held up the card. He reached for it, was able to read it and said "overwhelming". It gave him much pleasure. Thank you so much. It will be a well cherished card forever in our family.

FOUNDERS SOCIETY

MEDICAL EXCELLENCE THROUGH GENEROSITY

The Medical Center's seasonal nature and our highly personalized medical care services cause us to operate at a significant annual deficit. As a result the Medical Center Founders Society was established in 1994 to provide an endowment fund to insure the economic viability of the Medical Center's operation.

Since 1994, more than 600 residents in our community have become members of the Founders Society by agreeing to contribute a minimum of \$25,000. In addition, many have made additional contributions to become Super Founders (\$50,000+), Lead Donors (\$100,000+), Cornerstone Donors (\$250,000+), Guardian (\$500,000+) and Guardian Trustee (\$1,000,000+). All Founders are recognized with an inscription of their names in the Medical Center lobby and participate in our Founders Society Program. Pledges may be completed over a five year period, be accelerated or be in the form of securities. The Founders Society is open to all members of the Ocean Reef Community and we urge you to participate. You will be supporting an absolutely indispensable facility for the community and a safety net for your own healthcare needs. With our Medical Center for "on the Reef care" and our Founders Benefits, we believe our Founders Society Members have the best medical package in the world.

Founders Portfolio Benefits Include:

OCEAN REEF HEALTHNETWORK - This service provides priority access to an extensive network of America's top hospitals to help with researching, networking and arranging your care.

As a member of the Founders Society you are enrolled free of charge in the Ocean Reef Healthnet basic service. Founder level members may elect to support the Healthnetwork Foundation through their GOLD card program. Founders Society members who have achieved Super Founder donor status by giving or pledging a minimum of \$50,000.00 to the Ocean Reef Medical Center Foundation are automatically upgraded to GOLD status.

GLOBAL RESCUE - Special group rates for this premier travel assistance. Global Rescue provides field rescue, medical evaluation and security extraction to members who are more than 100 miles from home. Whether you require hospitalization, a consultation with a physician or pre-trip intelligence about your destination, Global Rescue offers a full suite of services designed to help you travel safely.

For further information on becoming a Founding Member, please contact Jenny Rigby via email at jennyr@mc.or.org or by calling 305-367-6707.

LIVING LEGACY SOCIETY

Through volunteer leadership and philanthropic support, the Ocean Reef Medical Center Foundation strives to improve the health and quality of life for all members in the Ocean Reef Community.

Many people choose to include a charitable interest in their estate planning. Has the Medical Center impacted you or your loved one's life in a positive way?

We would welcome your consideration of contributing to a cause that benefits future generations to come, in the form of a bequest to the Ocean Reef Medical Center Foundation.

A charitable bequest may be structured in several ways. A person may choose to leave a specific dollar amount, real estate or personal property or a combination of the above. If you are interested in being a part of the Living Legacy Society, or would like more information, please contact Keith Young, CEO or Jennifer Rigby, Foundation Coordinator at the Ocean Reef Medical Center Foundation.
