“Medical Excellence through Generosity”

 OCEAN REEF
MEDICAL CENTER FOUNDATION

FALL 2022

THE FOUNDERS SOCIETY

The Founders Society of the Ocean Reef Medical Center Foundation was established in 1994 to provide an endowment fund to ensure the economic viability of the Medical Center's operations.

The *Center's* seasonal nature and highly personalized medical care create an annual shortfall that is offset, in part, through the generosity of Founding Members' donations.

The names in this brochure are supporting Ocean Reef Club's greatest asset. The Medical Center provides first-rate primary care, physical therapy, a private medicine program and world-class diagnostics. With the recent addition of an MRI machine, there won't be a reason to leave Ocean Reef for diagnostics. The Medical Center is an indispensable facility for the Community and a safety net for everyone's healthcare needs.

The Founders program provides members with the best medical services through these following benefits:

Hospitalists - Access to Homestead Hospital and Baptist Hospital main campus (Kendall Drive). In the event of a trip to the emergency room the hospitalists will facilitate your hospital admission in a number of ways.

Healthnetwork Foundation - Access to an extensive network of America's top hospitals to assist with networking and arranging your care. Healthnet's basic service is provided to all Founders. Member's who achieve Super Founder status, and above, are enrolled as GOLD supporters. Gold support provides high priority access and extends beyond immediate family.

Global Rescue - Special group rates for this premier travel assistance. Global Rescue provides field rescue, medical evaluation and security extraction to members who are more than 100 miles from home. Whether you require hospitalization, a consultation with a physician or pre-trip intelligence about your destination, Global Rescue offers a full suite of services designed to help you travel safely.
