

RAPID

VIRTUAL EYE CARE

Expert Eye Care from Anywhere

Connect with one of Bascom Palmer Eye Institute's expert providers from the comfort of your home—or from wherever you are—via laptop, smartphone, or tablet. Simply schedule a Rapid Virtual Eye Care appointment, where your eye care provider will evaluate, diagnose, recommend treatment, and prescribe medications if needed.

Do You Have:

- Eyelid swelling or tenderness
- Eye pain or discomfort
- Tearing or watery eyes
- Discharge from eyes
- Red or pink eyes
- Flashes or floaters
- Itchy eyes
- Change in vision
