THE FOUNDERS SOCIETY

“Medical Excellence through Generosity”

The Founders Society of the Ocean Reef Medical Center Foundation was established in 1994 to provide an endowment fund to ensure the economic viability of the Medical Center’s operations. The Center provides exceptional primary healthcare, a Private Medicine Program and a Private Medicine *Plus* Program, a robust Physical Therapy and Sports Medicine department, diagnostic services and an extensive list of on-site visiting specialists. With services such as these, members enjoy peace of mind knowing they have an indispensable facility and resource for their healthcare needs.

Founders Society members enjoy the benefit of these additional services:

Hospitalist – In the event of an emergency room visit, the hospitalist can facilitate your admission to Homestead Hospital and/or Baptist Hospital’s main campus (located on Kendall Drive, Miami.)

Healthnetwork Foundation – Access to an extensive network of America’s top hospitals to assist with networking and arranging your care. Founders are automatically enrolled as **GOLD** supporters. Gold support provides high priority access and extends to family members.

Global Rescue – Enjoy special group rates for premier travel assistance. Global Rescue provides field rescue, medical evacuation and security extraction to members who are more than 100 miles from home. Global Rescue offers a full suite of services designed to help you travel safely.

The Foundation regrets any errors or omissions in the following lists of donor names, as of this September 2025 publication.
